Zac & Fidel swam in the Zone (THACCSA) swimming carnival for GPCC on Tuesday 23rd February at The Forum Pool in Newcastle Uni, and both did really well with PB's and great results. Fidel got 3rd in his 50m breaststroke event and a PB. Zac swam a full program having qualified in the school swimming carnival (see article and all videos here) for 100m free, 50m free, back, breast & fly, 4 x 50m IM, swam the butterfly leg in the 4x50m medley relay and then anchored the 4 x 50m free relay team, and won everything with PB's to boot, except breast (3rd but a great PB) so he picked up the Age Champion for U10 Zone and is off to CSSA State again.

Here are all the races . . .Fidel
