Zac & Fidel swam in the Zone (THACCCSA) swimming carnival for GPCC on Tuesday 28th February 2017 at The Forum Pool in Newcastle Uni, and both did really well with PB's and great results.

Fidel got 3rd in his 50m breaststroke event and a PB and qualified for State CSSA.

Zac swam a full program having qualified in the school swimming carnival (see article and all videos here) for 100m free, 50m free, breast, back & fly, 4 x 50m IM, and then anchored the 4 x 50m free relay team, and came 2nd in the freestyle races to a new Zone contender from Belmont called Brodie Roberts, he came 4th to Brodie in the breast, then Zac won the back, fly & IM, so Zac picked up the Age Champion for U11 Zone (by a very narrow margin - Brodie was very gracious in just missing out sharing the Age Champion award) and is off to CSSA State again.

Here are all the races . . . Fidel
